Attention: Manfred von Gradowski

Dear Manfred,

I wanted to take this opportunity to Thank You for the all the banners & signs you have prepared for me.

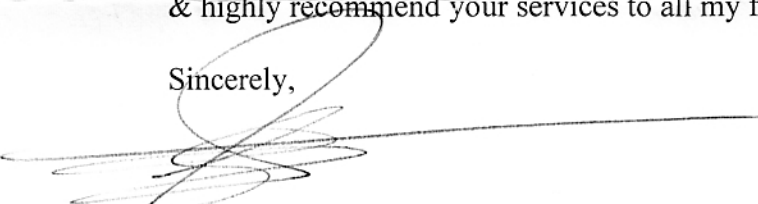

The 'Hail Damage Repair Service' sign turned out exceptionally well and I appreciate that you installed mounts and brackets, which made installation a snap!

Our '40 Years in Service banner', with the colourful balloons, has received many complements from our customers and they're always surprised to know how long we've been servicing our customers.

It is always a pleasure dealing with you, since you make the entire process very easy. You do all the work and set up and always send several proofs, ensuring everything will turn out exactly as expected.

Thank You once again for all your Great work & Terrific Service. I will continue to use & highly recommend your services to all my family, friends & work colleagues.

Sincerely,

Sam Saccioia
